Based on Fellini's 8 ½ NINE is the story of a celebrated film director Guido Contini and his attempts to come up with a plot for his next film as he is pursued by hordes of beautiful women, all clamoring to be loved by him and him alone. Flashbacks reveal the substance of his life which will become the material for his next film: a musical version of the Casanova story. With a ravishingly tuneful score, here is a galloping fantasy, rich in imagination and daring. Winner of the Tony-Awards for Best Musical and Best Revival of a Musical, NINE is a rich, sexy, thrilling evening of theatre. Please Note: NINE contains adult themes and situations. Parental discretion advised-
