

SOUTH COUNTY LIBRARY

GIVE OR TAKE FOOD PANTRY

**We're excited to announce the establishment of our
Give Or Take Food Pantry!**

In the lobby of the library, any time we are open, we will have a pantry stocked with non-perishable food items for those in need. We invite any community members in need of food to help yourself.

If you are able to donate non-perishable, non-expired food items, we will be accepting donations to stock the pantry.

They can be left in the collection bin in the lobby.

Help yourself or help your neighbors!
